

Cavalry Newsletter 03.05.2022

Last week in Year 6: Last week, Year 6 started learning about World War 2, especially about the evacuation of children from cities to the countryside. We have started to read 'Goodnight Mr Tom' in our reading sessions and during our writing sessions, the children have started researching evacuation and are in the process of writing a non-chronological report about it.

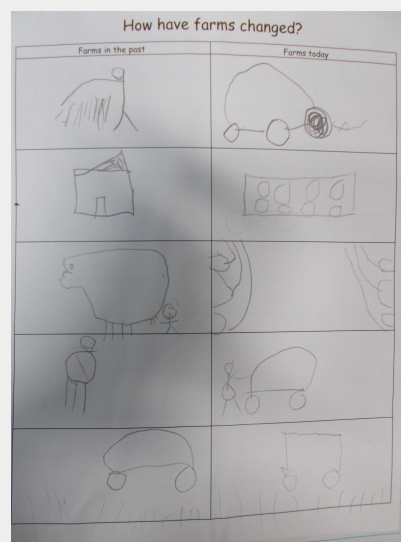

Last week in Year 3: Year 3 have started learning about the Ancient Greeks as part of our Colourful World topic. Everyone has found it really interesting learning about this ancient civilisation and finding clues in the artefacts the Greeks left behind. In preparation for making our own Greek inspired pottery in the upcoming weeks, Year 3 have been investigating the recurring patterns found on the pottery and had a go at practising their own.

Last week in Year 1: In Year 1, we have been thinking about how we can use a range of sources to find out more about what farms were like in the past. We particularly focused on looking at photographs and discussed what they showed us. We then made comparisons with farms today and drew or wrote about our findings. We are looking forward to finding out more about certain types of farming over the next few weeks.

How have farms changed?

Farms in the past	Farms today
old farms	they are made
was made of wood	made of metal
for mers use a scythe	old people use a scythe
people used to get the milk with their hands	they used to get the milk with machines

Dates for your Diary:
