

Good morning Year 1. We hope you had a good weekend.

This week our learning is about farms. Every day we will give you a task and at the end of the week you can put all your tasks together to make a fact file.

English

On this website there are a wide variety of clips about animals that work on the farm

<https://www.kids-country.co.uk/pigs-sheep-cattle/>

You can choose what you want to watch and then write some facts about animals that work on a farm. You can draw some lovely pictures or download some from the internet. It's your choice. We like the information about pigs - we learned so much!

Maths

This week we are learning more about 2D shapes. To remind ourselves we need to watch this clip

<https://www.bbc.co.uk/bitesize/clips/zhnvcdm>

When you've watched the clip, go for a shape hunt either at home or when you are out and about.

Topic

We thought it would be fun to make a collage of farm animals today. We found some good ones on the internet but you can make your own from drawing or downloading pictures.

Phonics

Remember your phonics lessons - it's really important to keep going with phonics so that you will be amazing at reading and writing in Year 2.

Lulu and Humphrey

Lulu and Humphrey sneaked into school when everybody had gone home. They decided they really wanted to choose a book from the library to read when they got home.

Have a lovely day today.

Mrs Morris and Mrs Turrell
