

Cavalry Newsletter 07.11.2022

Last week in Year 2:

In English, we learned how to write riddles! We chose either an Autumnal object or something related to Halloween to describe, without telling the reader what it was. We had great fun trying to guess everyone's objects! We also looked at alliteration, similes and onomatopoeia, trying hard to include them in our firework, acrostic poems.

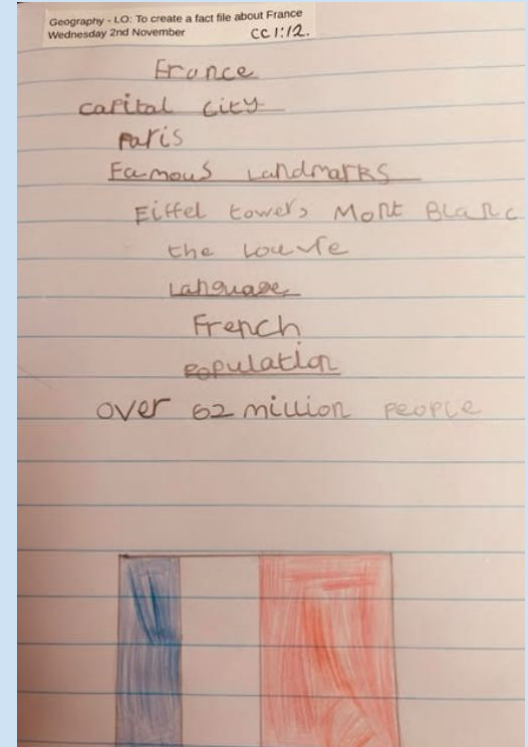

Last week in Year 2:

In Science, we have been looking at different animals and what they eat. We had to choose some and decide which were carnivores, herbivores and omnivores.

In Geography, we are looking at different countries around the world. Last week we looked at France. We then created our own fact files, using some of the things we had learned in our research. We even answered the register in French!

Last week in Year 1:

In Year 1, we have been learning about the Great Fire of London. We travelled back in time and discovered what it was like during the Great Fire in 1666. We explored different shops and jobs people had in the past, such as an apothecary, barber surgeon, chandler, clothworker and writer.

We investigated how the fire started and how it spread so quickly. We carefully explored the remains of different buildings to discover who worked or lived there, using the artefacts as clues.

Last week in Year 3:

In Music, we learnt and sang Frere Jacques. We then discussed the topic 'The Weather' which we studied last half term in Geography, and mind mapped words and phrases we could use to replace the lyrics of Freres Jacques. We paid special attention to making sure that each line had the same number of syllables as the original song so that the lyrics fit the melody.

During our maths lessons we have started to learn the 3 times table. We are encouraging children to use practical resources to support their learning as well as competing on TTRS. Please continue to practise these at home.

Best attendance last week: congratulations to Class 4 98% with and Class 13 with 97%. Our whole school target is 97%.

Poppies for Royal British Legion:

This week we have traditional paper poppies available for children to buy, along with a limited number of additional items - snap bands, wrist bands, button holes and zip clips. Year 6 will bring the items round to the classes each day for the rest of this week so children can buy an item if they wish. There are no set prices but we suggest a minimum donation of 50p for a poppy and £1 for any of the other items.

Follow us on Facebook 'Cavalry Primary School' or Twitter @Cavalry_Primary

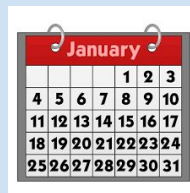

Children in Need Friday 18th November

The School Council are organising a SPOTacular playtime cake and biscuit sale to raise money for Children in Need. Cakes and biscuits will cost **50p** and there will be enough cakes for **one** each.

There will also be a Pudsey Pyjama designing competition for any children who would like to take part. School Council will bring round entry forms the week beginning 14th November.

Dates for your calendar:

This week - poppies on sale to support the Royal British Legion

Monday 14th November - NHS visit to weigh and measure Year 6 and Reception

14th to 18th November - Book Fair visits Cavalry

Friday 18th November - Children in Need cake sale and competition

Monday 21st November at 5.30 0.m. - AGM for our PTFA

Thursday 1st December - flu vaccinations session 2 only for Year 5 and Year 6 plus those absent on 1st November

Wednesday 21st Dec - last day of school/nursery

Thursday 5th January 2023 - school/nursery open again

All term dates 2022/23 are available on the school website. Please remember that holidays in term time are not authorised unless there are very exceptional circumstances and you may receive a penalty notice if your child misses school.
