Last week in Year 5: Last week, Year 5 children had a focus on workhouses during the Victorian era. We have created very detailed non-chronological reports as well as fantastic setting descriptions about what life in a workhouse was like. In addition, we have also created amazing posters for Anti-Bullying Week.

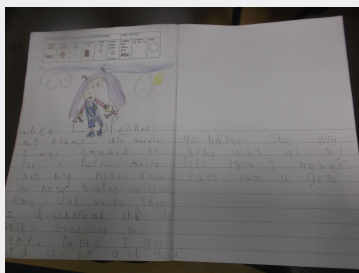

Last week in Year 3:

Year 3 have enjoyed learning about performance poetry and we are working towards writing our own versions of the poem Stone Age, Bone Age! We have created a performance poetry toolkit, including using facial expressions, volume and actions, and have loved performing for our classmates! We even experimented with using percussion instruments to explore the beat and rhythm of some poems.

Last week in Year 1:

It was very busy in Year 1 last week. In addition to our fabulous phonics lessons, and learning about subtraction in Maths, we also had road safety week, anti bullying week, Children in Need, and even had Aliens stealing our underpants! The children had lots of fun learning to cross the road safely, and made their own road and zebra crossing in the playground to practise. We spent a lot of time talking about what bullying is, what we can do if we are worried about bullying, and how we can help others to feel good with "one kind word". Year 1 then shared their favourite stories about being kind, and celebrating our differences. Simon Sock was a firm favourite! Ask them to tell you all about it, they will love the opportunity to tell you the story of the odd sock who wanted to be a pair. Throughout the week year 1 have also been reading another of our favourites, Aliens Love Underpants. The children had lots of fun writing about the cheeky aliens that they found in their drawers stealing their underpants. There were lots of giggles and lots of beautifully written stories! What a busy, fun-filled week!

Thank you for your support as we raised money for BBC Children in Need. Our cake sales in school and nursery have raised a total of £250!
