

# Cavalry Newsletter 30.11.2022

## Last week in Year 4:

In Design & Technology, Year 4 have continued their work on building working catapults. We have accurately measured and sawn lengths of dowel, and then glued them together to make a frame using jinx triangles to strengthen the structure.

We have not finished yet, but we cannot wait to share our finished products!

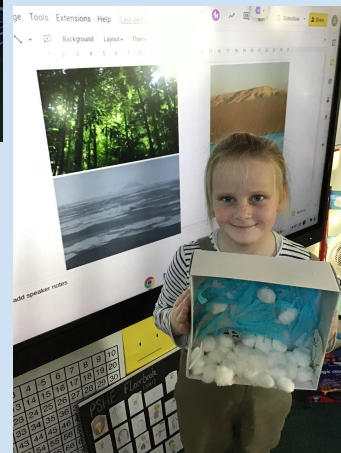

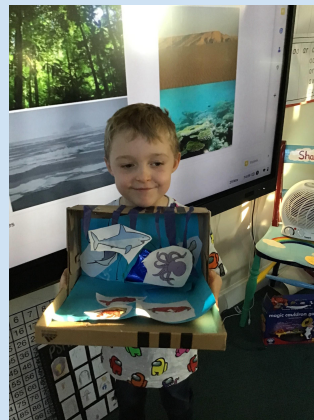

## Last week in Year 2:

In Science, Year 2 have been learning about different habitats. We chose a habitat and did some research to find out all about it.

We then used shoe boxes and different craft materials to create our model habitats.

Best attendance last week: congratulations to Class 4 with 91% and Class 14 with 97%. Our whole school target is 97%.

## PE/Sports news:

On Friday last week, children took part in a World Cup themed day at school. It was great to see so many of our pupils inspired by the World Cup.

Amazing pieces of work were produced in all classes!

## PE/Sports news:

In other news, some children in Year 6 attended a Teach Active Festival. While there they completed maths and English challenges in an active way and in competition against each other. They had a great time and were a credit to the school.
