

Good morning Year 1, it's Thursday already and the last day of April. Keep those emails rolling in. We really enjoy hearing from you all, and we love to post your work on the website.

Today's activities:

English

At our reading café we had story sacks. Today choose a story and see if you can make your own story sack of a favourite story. You could add toys, books, make a card game...you'll think of lots of ideas.

I was thinking about the very hungry caterpillar. You could make a caterpillar from a sock, and draw and cut out the food from card. You could draw or paint a beautiful butterfly for the ending. Or you could make food out of playdough or even Lego!

When your story sack is ready, use your props to tell somebody the story. Remember to use different voices for each character. Definitely a chance for a photograph! You could even film it!

Maths

Some maths challenges to do for you. Use counters or arrays to find the answers

I have 3 coins in my purse. All of the coins are 5p. How much money do I have in my purse?

I have 50p in my purse. All of my coins are 10p. How many coins do I have?

Four groups of children go on a school trip. There are 10 children in each group. How many children go on the trip?

I look after 5 dogs. I have 30 biscuits to share equally between them. How many biscuits can I give to each dog?

Time capsule

When you are grown up, people will ask why we couldn't leave our homes and go to school. Find a tin or plastic tub with a lid and make a time capsule. Then bury it in your garden or put it somewhere with a note that says it cannot be opened for 30 years. Somebody will find it and will learn about the virus that struck the world.

Things you could put in your time capsule:

- A moment of history - perhaps some reports from a newspaper or a download from the internet
- An all about you page and how you're feeling
- Something about March - what is happening? Where can you go? Where have you missed not visiting? Perhaps a photograph of an empty park
- What you're doing to stay busy at home
- Special occasions while in lockdown - have you had a birthday to celebrate?
- A letter to yourself and a letter from your parents
- An email from school
- A picture to say thank you to the NHS
- Three things you are looking forward to when the lockdown is over

Phonics

Don't forget to catch the phonics lessons

https://www.youtube.com/channel/UCP_FbjYUP_UtIdV2K_-niWw/videos?app=desktop

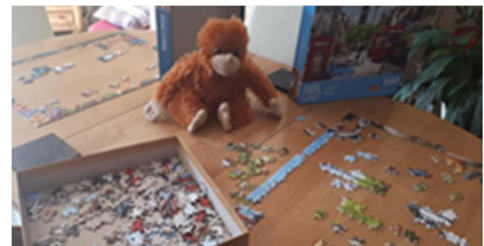

Lessons are uploaded at these times: Reception 10.00, Year 1 10.30, and blending 11.00.

Lulu and Humphrey are still busy.

Humphrey is busy doing his work on the laptop. He loves playing maths games.

Lulu is watching the jigsaw area, but it's a bit tricky for her to join in!

It's May 1st tomorrow so a whole new month. Have a good day. Keep sending those lovely pictures at admin@cavalryprimaryschool.org
