Last week in Nursery:

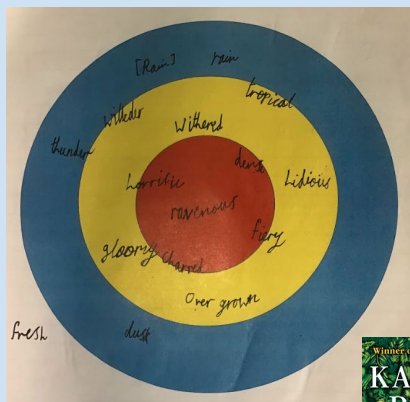

The children continued to enjoy play with different size gourds and pumpkins. We investigated cause and effect by throwing them, making predictions as to what might happen. The children particularly enjoyed working together collaboratively to tip a big tray to explore rolling small gourds in paint! We introduced the story of Goldilocks and the Three Bears, acting out the story in the home corner. The children made and tasted porridge and enjoyed playing with oats in the sand tray.

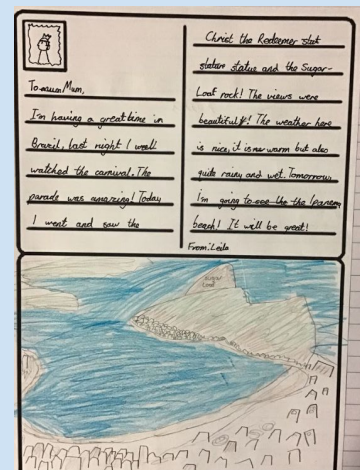

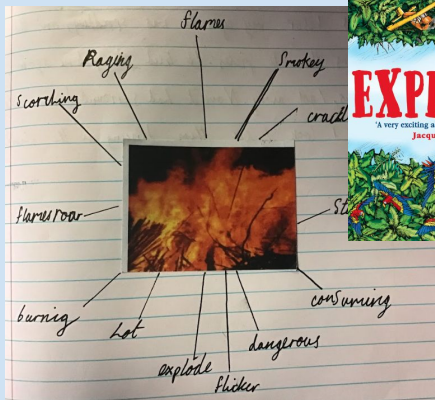

Last week in Year 6:

Here are Year 6's finished Multimedia portraits for all to admire as they walk down the corridor.

In English, we have started reading a new book called 'The Explorer' We looked at some of the vocabulary in it and started to write descriptions of settings.

We wrote postcards from Brazil in Geography.

Best attendance last week: congratulations to Class 5 with 89% and Class 14 with 96%. Our whole school target is 97%.

PE/Sports news:

This week, twenty Year 5 and 6 children attended a tag rugby competition as part of the Witchford Sports Partnership. We had three teams competing against 18 schools. All teams won their respective groups meaning they entered the gold league.

After competing in the gold league, we finished the competition in 2nd, 4th and 5th place, which is amazing! We are really proud of all students who have put great effort into their tag rugby learning this term.
