

Cavalry Newsletter 31.01.2022

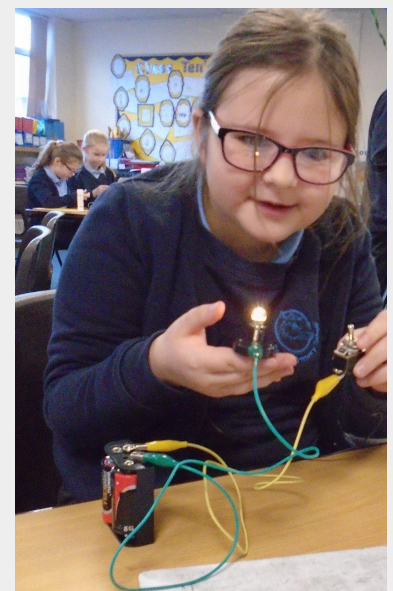

Last week in Nursery: Room one have been reading the book Dear Zoo and have enjoyed retelling the story with lots of props. We had great fun guessing which animal was in the different size parcels. Room two have been getting to know the story of The Tiger Who Came to Tea, acting out the story and enjoying a special delivery of buns from the Tiger! We have loved joining in with The Big Bird Watch in our Nursery garden. We made biodegradable bird feeders from wafer cones, lard and seeds and then sat quietly in our bird hide with our binoculars waiting to spot any bird visitors who might like a bite to eat. We also used our bird checklist sheet and made marks when we spotted them.

Last week in Year 4:

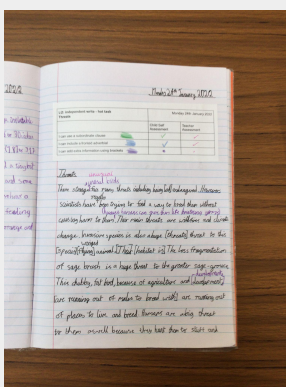

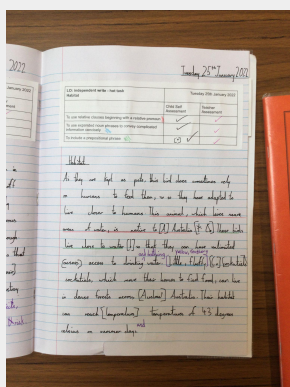

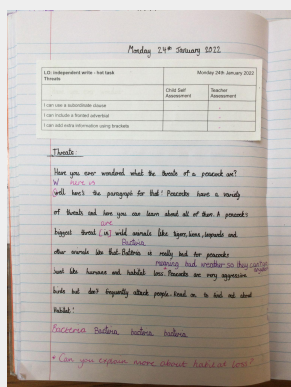

We have been testing complete and incomplete circuits. We used wires, bulbs, batteries and switches to explore what makes a circuit work. We learnt that all components must be connected to make a working, complete circuit.

Last week in Year 5:

Year 5 had a fantastic week learning lots of new things. In English, we have been writing brilliant non-chronological reports about birds, while in science we have been finding out the effect of cells on the brightness of a bulb. Also, children have been using motifs in dance to create performances concentrating on movement going under, over, around and through. Well done to all students for a brilliant week!

Sporting success: Congratulations to our team of seven children from KS2 who were runners up in the Panathlon competition at Sir Harry Smith's College on Friday. The staff were very proud of your enthusiasm and all the sporting skills you showed.

Dates for your Diary:

Thursday 3rd February - Year 4 trip to West Stow Anglo-Saxon Village

Thursday 3rd February - Year 3 start swimming

14th to 18th February - school and nursery closed for half term

Mon 28th Feb & Tues 1st March - parent consultation evenings

14th to 18th March - Wales Residential Visit for Year 5

Tuesday 15th March - Year 6 trip to Space Museum, Leicester - more information to follow

Friday 1st April - last day of Spring term

All term dates for 2021 - 2022 are available on the school website.
