- Creative coding
- Fabulous food chains

LEARNING IN ACTION...

Year 2

Year 2 have been learning about animals and their habitats. This week, we took a closer look at food chains.

Children started with grass as the producer, and then chose three consumers of their choice to make their own 'Russian dolls'

Each was unique, and the children were all very keen to share their efforts with you at home!

LEARNING IN ACTION...

Year 6

This week, Year 6 have been completing their first round of mock SATs.

We have been super proud of every single child. All children have put great effort into every test.

Children have also been completing a workshop with Twenty20 based on robotics. Children are learning about coding to move the item they are creating.

Word Wizards:

Year 4 - Class 10 (187,418)

Year 5 - Class 11 (761,692)

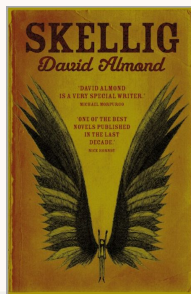

Year 6 - Class 13 (448,978)

Have you read...?

Mr Davies
recommends...

Year 6 read an extract of
this - at the end of the
second page, they
wanted more...it's that
good!!

Phonics!

Well done to Mrs
Poole's phonics
group who have
concentrated
especially well this
week and have
applied their
learning to their
writing.

Miss Hickford
recommends

Attendance matters

We are aiming for 97% attendance.

This week, our classes with the highest attendance are...

KS1 - Class 6 95.13%

KS2 - Class 11 98.06%

WELL DONE

Get ready for
Photography Day on

Tuesday 14/10/2025
at Cavalry Primary School

Look out for the order form
coming home with your child
