'Inspire, Enrich, Achieve'

Thursday 6th November 2025

Dear Parents and Guardians,

Firstly, I would like to thank all families who attended the meeting about our new homework platform, CENTURY. It was lovely to see so many families. If you were unable to attend the meeting and wish to find out more about CENTURY, please speak to your child's class teacher.

As discussed at the meeting, we are pleased to let you know that from this week, homework will be set on CENTURY each Friday. Every child will receive a Maths and English task to complete each week. Each task should take approximately 20-30 minutes.

When completing homework on CENTURY, we encourage children to make full use of the videos and slides provided to support their understanding. They may also wish to make jottings on paper or a whiteboard if this helps them work through ideas.

We would like children to complete their homework as independently as possible, as this allows CENTURY's intelligent algorithm to identify each child's strengths and suggest personalised next steps in their learning.

Homework can be completed on a phone, iPad, tablet, or laptop. However, if your child does not have access to a suitable device at home, we offer a Homework Club at lunchtime on Tuesday, Wednesday, and Thursday, where they will have access to the technology they need.

Even though we are launching a new platform (CENTURY), children are still expected to complete their reading, TT Rockstars and spelling homework to support their learning.

Thank you for your continued support in helping your child develop confidence and independence in their learning.

Kind regards,

Mr Brown
