

Good morning Year 1. We hope you all had a lovely weekend.

## Maths

This week we are going to continue to learn about money in maths. Do you remember our greater than, less than symbols?

> greater than

< less than

= equal to

Today we would like you to have a go at comparing coins. You can choose to draw the coins, cut and stick them, or use real coins, it's completely up to you. Don't forget to take some photos and show us your work. If you find this tricky, just remember that Charlie Crocodile is very greedy, and likes to eat the big numbers!

## Phonics

Remember to do your daily phonics practise.

## Active Learning

This week we thought it would be nice to have a go at the Blue Peter 2020 sports challenge. <https://www.bbc.co.uk/cbbc/joinin/bp-sport-badge-2020> It's all about being active and trying something new! Find a sporting activity that you haven't tried before, and practise it 5 times, for 10 minutes. There are lots of ideas to choose from:

If your grown ups give their permission, there is even the option to apply for a Blue Peter badge! We understand that, whilst anyone can have a go at being active, you need

to be 6 to apply for a badge. But don't worry, the applications are open until 30th September, so if you have a few more weeks before you turn 6, you can still join us in having a go at a new activity, then do the task and apply for your badge any time before the end of September. We are really looking forward to seeing what you choose to have a go at.

### English

Today, our writing is linked to our Blue Peter sports challenge. We would like you to write a sentence or two, telling us all about which sport or activity you are going to try this week. Have a go at extending your sentences with the word "because". Have a look at Mrs Turrell's sentences.

*"This week I am going to learn to hula hoop because it looks like lots of fun. I think I will be able to keep my sparkly rainbow hoop spinning for ten minutes by Friday because I will practise hard."*

### Lulu and Humphrey

Humphrey and Lulu are also joining in with the sports challenge. They are going to learn to hula hoop too!

We hope you have lots of fun trying new things. Please keep sending lots of pictures! We love to see what you are up to.

Mrs Morris and Mrs Turrell
