

# Cavalry Newsletter 16.01.2023

## Last week in Year 6:

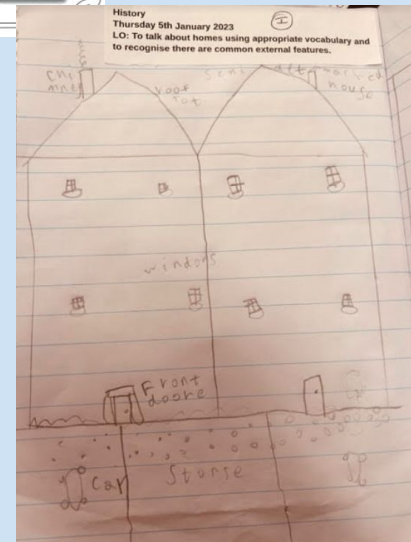

Last week in Year 6, we started our new Science Topic: The Earth and Space. The children worked in small groups on one of the planets in our Solar system. They then created the planet using pastels and researched interesting facts about their planet to share with the class. We then put our planets and facts together and made a large class display.

## Last week in Year 2:

Our new topic for Spring is Home Sweet Home. We have been looking at old and new houses, comparing the features outside and inside. We drew some different types of modern houses, then labelled them. We then looked at a Victorian house and could see there were lots of differences between them!

Best attendance last week: congratulations to Class 6 with 97% and Class 8 with 99%. Our whole school target is 97%.

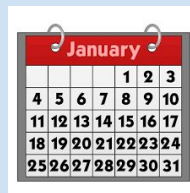

## PE/Sports news:

Last week, we took a group of year 5 and 6 girls to a football tournament at Witchford. The girls played 8 matches, conceding only 1 goal, and finishing a very respectable 3rd out of 9 teams. Well done girls!
