### Maths

Some fun games to play today

<https://www.ictgames.com/mobilePage/doggyDivision/index.html>

Divide the bones equally between the dogs by dragging the bones into the bowl. Then click for them to feed.

<https://www.ictgames.com/mobilePage/duckShoot/index.html>

Start at the number given and count in on in the multiple you are told. It's a bit like a number line.

### Letter formation

Please take this time to practise letter formation. There is a sheet enclosed that has a rhyme to accompany the formation of letters. It is so hard to break habits of forming letters incorrectly, as the children get older, so now is a great time to establish the correct way to form lower case letters in preparation for joined handwriting later. The rhymes are great to practise to.

### Phonics

Don't forget to catch the phonics lessons on

Lessons are uploaded at: Reception 10.00, Year 1 10.30, and blending 11.00.

### Going to space

Draw a picture of you going into space and ten things you would take with you. You can only take ten items. Good luck choosing what you would take.

Today Lulu is watching some phonics. She thinks its great and is leaning more sounds every day.

Humphrey is chilling out on the swings and enjoying the sunshine.

Have a lovely weekend. Please keep sending lovely work for us – [admin@cavalryprimary.org](mailto:admin@cavalryprimary.org)
