Last week in Year 6:

Year 6 have started their multi media self portraits and have so far used paint and charcoal. They are working hard on tone and texture. We will share again once they have finished!

In Science, the children have been learning about the heart and blood. They created comic strips to show the different functions of the blood.

Best attendance last week: congratulations to Class 5 with 98% and Class 11 with 98%. Our whole school target is 97%.
