

Hello Year 1. We hope you're ready to do some more learning.

First of all, Happy Birthday to Amelia. We hope you have a lovely day.

English

Here's a question for you. What made this dog turn green?

Try to think of an answer to this question and write a few sentences. Was it something he ate? What was it - a real piece of food or an imaginary food? Is it a magic spell? Who put a spell on him and why? Has he been to outer space?

Remember to use lots of exciting descriptions about what happened to the dog. We're looking forward to hearing your fabulous ideas.

Phonics

Don't forget to catch the phonics lessons

https://www.youtube.com/channel/UCP_FbjYUP_UtIdV2K_-niWw/videos?app=desktop

Lessons are uploaded at: Reception 10.00, Year 1 10.30, and blending 11.00.

Get Active

How many star jumps can you do in 30 seconds? Write down your amount each time and see if you can beat your record. Send a photograph of you jumping and tell us how many jumps you can do in 30 seconds.

Maths

We are carrying on with our halves work. Can you find objects you can draw round and halve them? Draw a line so that both sides of the object are equal. This is what I did.

First I drew round my coaster and cut it out

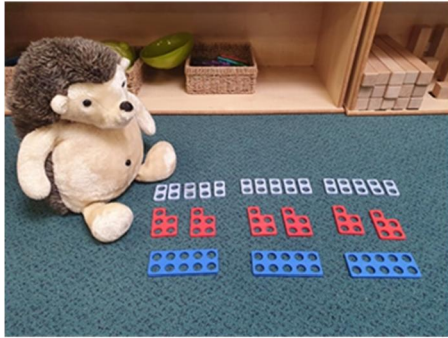

Next I folded it exactly in half

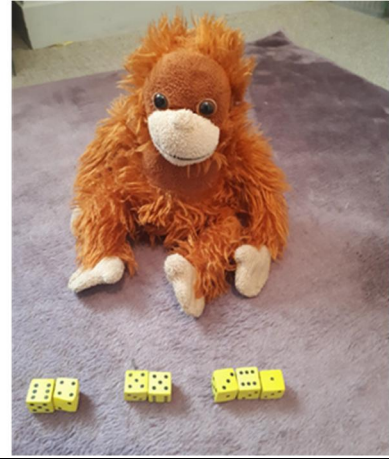

I opened it and I drew a line where the fold was I found that both sides were equal. So my coaster now had 2 halves.

How many objects can you find and do the same experiment? Are there some objects that can't split into 2 equal parts? Please send some photos of what you have found out. We would love to see them.

What have Lulu and Humphrey been up to ?

Humphrey and Lulu
have both been
thinking about making
10

Have a lovely day and carry on with that fabulous learning.
