

# Cavalry Newsletter 14.06.2022

**Last week in Nursery:** We've been role playing the Platinum Jubilee celebrations, inviting our friends to Buckingham Palace for tea and finding out about our Royal family. We have also built the Queen's homes in our construction area. Outside we have enjoyed playing with the dinosaur volcano, adding bark, soil and grass cut by our own hands to create a fabulous dinosaur world.

We have been focusing on minibeasts this week and have been on lots of hunts around the garden, spotting bumble bees, ants and woodlice. We are hoping to find ladybirds and snails in the coming days, we think that they were on their holidays last week!

## **Last week in Year 3:**

Year 3 have continued to enjoy learning about the Ancient Greeks and everyone is really excited for Greek Day on 30th June! We have learned about the Ancient Greek civilisation by investigating what they left behind, including their beautiful temples. Using the app Drawing Pad on the iPads, we recreated the Ancient Greek temples and were inspired by the Corinthian, Doric and Ionic styles of architecture.

## **Last week in Year 1:**

In Year 1 we have been transformed into superheroes and have been completing our special phonics quizzes. We decorated our own masks, created our own passports and thought about what our super powers would be. The children have definitely been superheroes this week that's for sure! We have also been continuing with our topic all about farms and have started to think about how farming machines have changed over time and why they have changed.

## **Dates for your Diary:**
