A Season of Positive Change!

Dear Families,

As we move towards the end of our first half-term, I wanted to take a moment to reflect on the fantastic changes happening around school—and celebrate the energy, enthusiasm, and effort we're seeing every day from your wonderful children.

This term, we've introduced a *fresh new look* to our lunchtimes. You may have heard some excited chatter about the new outdoor equipment and benches that have been added to our playground.

These simple additions are already having a big impact, giving children more opportunities to play, relax, and build friendships across the year groups, during their lunch times. It's a joy to see them enjoying their outdoor space with such creativity and care.

We're also delighted to welcome our new Football Coach and Mentor, Mr Foy, who is already bringing great energy and skill to our sports provision and new lunchtime zones. Pupils are loving the structured sessions, and we're seeing increased teamwork, sportsmanship and confidence on the pitch.

We have also introduced **Football Fun Friday** where staff can nominate pupils for an extra sport session for 'over and above' learning and work that week. Children will be presented with a certificate so that this wonderful achievement can be shared with home too.

In the classroom, the positive momentum continues. Children are working incredibly hard across all year groups. From focused learning in Maths and English, to curiosity-driven projects in science and topic lessons—there is a real buzz of learning in the air!

Staff have commented on the children's excellent attitudes, and we're so proud of the effort and pride they are showing in their work. Keep looking out to see who our nominated

Stars of the Week are!

At the heart of all these changes is a simple belief:

Actions speak louder than words.

As a school, we are committed to continually improving—not just by talking about it, but by *doing* it. Whether it's upgrading our environments, enhancing the curriculum, or supporting every child to achieve their best, we want our actions to speak volumes about the kind of school we are and the future we're building together.

Thank you, as always, for your ongoing support. We can't wait to share more exciting developments with you in the weeks ahead and as you visit for Parents' Evening next week.

Warm wishes,

Mrs Edwards
