Last week in Reception:

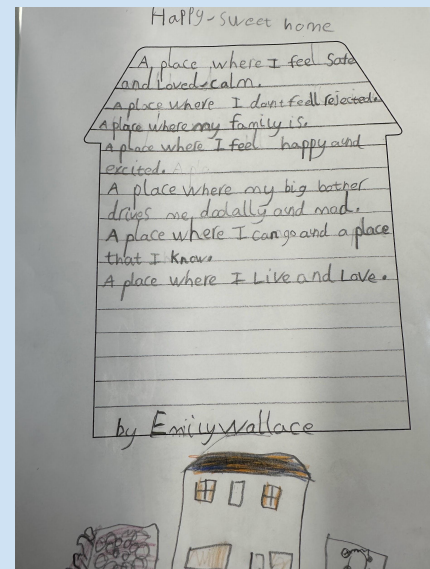

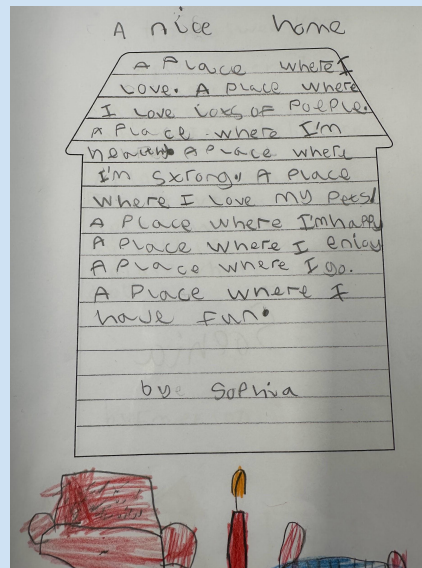

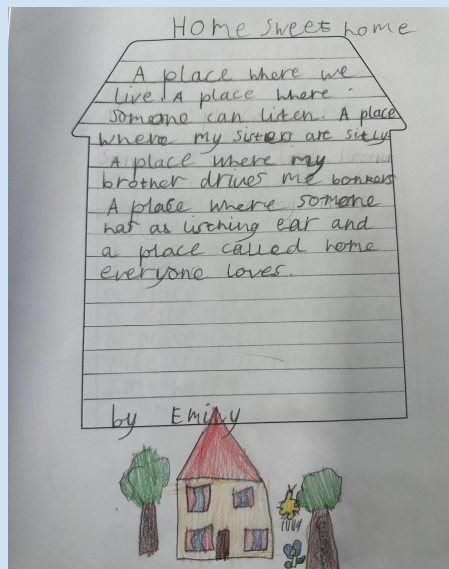

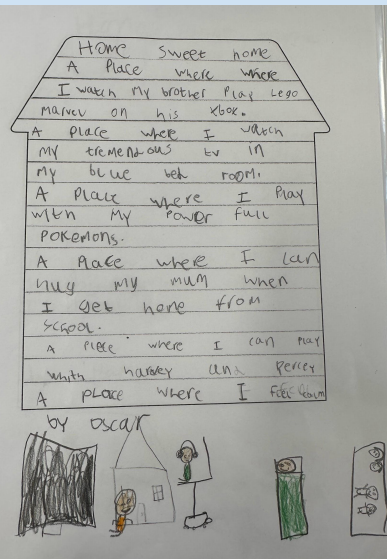

The Reception children enjoyed the story of Mr Wolf's Pancakes. We decided to make our own pancakes and taste them, not to eat our neighbours and our friends like Mr Wolf did! They were delicious!

Last week in Year 2:

Following on from our topic, Home Sweet Home, we wrote some beautiful poems inspired by our own homes. We thought about the type of things we do when we are at home and how it makes us feel. Year 2 definitely have some poets in the making!

Best attendance last week: congratulations to Class 5 with 99% and Class 8 with 99%. Our whole school target is 97%.

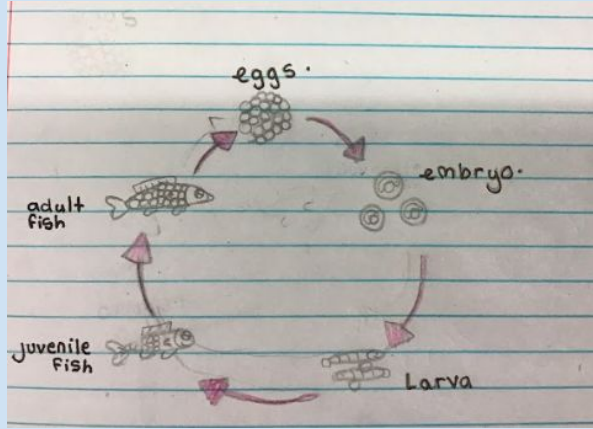

Last week in Year 2:

We also took a trip to the March museum where we learned all about homes from the past.

We found out that they were VERY different to ours!

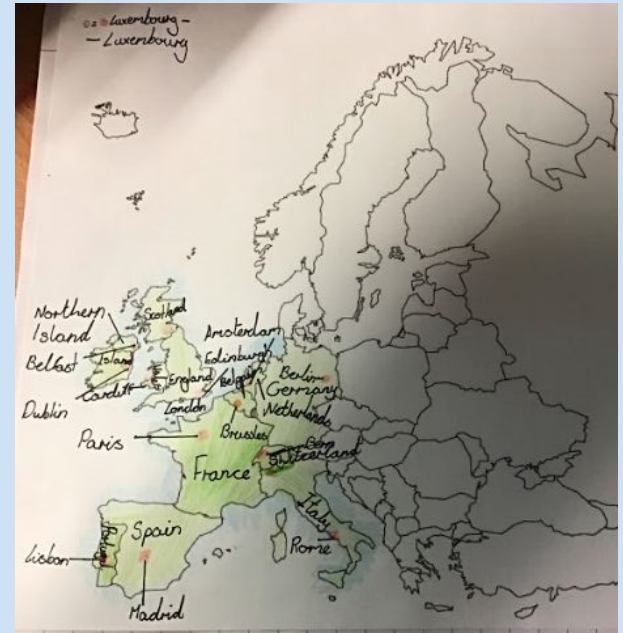

Last week in Year 6:

We started our new Life cycles topic in Science. The children researched the life cycle of different animals and plants. They drew the cycles and we compared the different stages involved.

In Maths, we have been investigating 3D shapes by drawing 2D nets.

In Geography, we used atlases to find European countries and their capital cities.
