

Good morning Year 1. Today is outside learning day so all of your activities can be done outside.

## English

We think it would be great fun to make a den. Use whatever you have in your house - cardboard boxes, blankets, cushions - you choose.

Draw and write about your den

## Outside

While you're outside, make a note of what you can see, hear, touch, taste and smell.

### **The Five Senses**

Draw something that you...

 ...hear.	 ...see.
 ...taste.	 ...smell.
 ...touch.	

## Maths

Record the journey of an ant. Look at the instructions in this link.

Can you use the language we used last week? Turn right, make a half turn clockwise.....

## Phonics

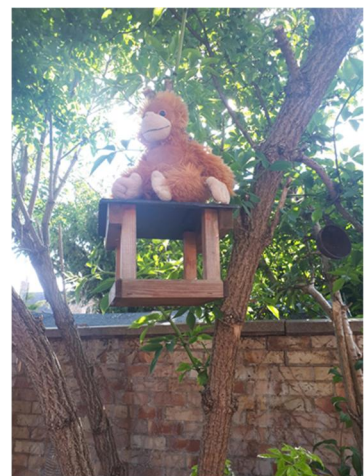

Don't forget the daily phonics

## Lulu and Humphrey

Lulu is up in the trees again. She's hoping some birds will come and eat the food she has put out for them. Humphrey has found some stones and is building with them.

Have a wonderful outdoor learning day.
