

Good morning Year 1.

Yesterday was wet and not so good. I got my raincoat on and had a little walk but it was a bit cold! Thank you for sending work to us. We love to receive emails from you, and really enjoy answering back. We have some more fun activities today.

Maths

We are going to divide today. Watch the clip on
<https://www.bbc.co.uk/bitesize/topics/zqbq87h/articles/z9jxhv4>

You can see in the clip they used arrays to help divide equally.

See if you can divide these numbers equally and make some number sentences.

My example:

$$12 \div 4 = 3$$

So I also found out that

$$12 \div 3 = 4$$

You have a go.

$$20 \div 4 =$$

$$15 \div 3 =$$

$$24 \div 6 =$$

English

Read Rameena's Ramadan story with an adult.

Draw a picture of Rameena and describe her. What does she look like? How is she feeling? What did she do?

Phonics

Don't forget to catch the phonics lessons
https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/videos?app=desktop

Lessons are uploaded at: Reception 10.00, Year 1 10.30, and blending 11.00.

Ramadan

Doing good deeds is a very important part of Ramadan. Choose some good deeds you could do during Ramadan. When you have done your good deed for the first time, write it down on a piece of the paper chain and link it to the others. How long will your paper chain grow?

Here are some ideas to get you started;

Smile

Tidy your bedroom

Say please and thank you

You can find lots more!! You could decorate your strip of paper with a crescent moon and stars.

We're looking forward to seeing pictures of these!!

What have Lulu and Humphrey been up to?

Lulu found a feather on her scavenger hunt. She was pleased to spot it under the trees. Humphrey has been using cakes to count in 5s. They look yummy!!

Have a lovely day. Please keep sending work for us to see at admin @cavalryprimaryschool.org and we'll put on the website. Have you seen yourself or your work on the website yet?
