

Cavalry Newsletter 23.01.2023

Last week in Reception:

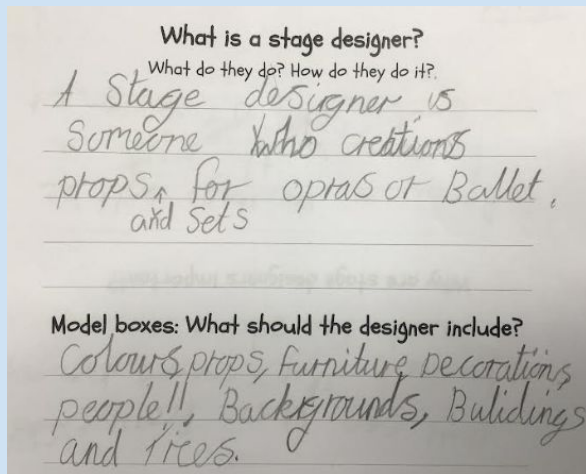

Reception have loved the story of One Snowy Night where Percy has to make room for all the animals in his bed as they are freezing cold in the snow. The children designed and made new beds for all the animals and Percy. They showed great creativity and thought. They chose their materials and were able to tell us why the beds would be good for the different animals. They made a huge bed outside, using their measuring skills to make sure it was big enough and wrote labels for the animals. They wrote letters back to Percy to tell him the beds were ready.

Last week in Year 4:

We continued with our Royal Opera House project. After discussing ballet, we learnt about the role of a stage designer and how important they are to ballets and other productions.

We then read the commission given to use by Kevin O'Hare, the director of the Royal Ballet, to design a set for part of the ballet, *Alice's Adventures in Wonderland*.

Royal Opera House
Bow Street
London
WC2E 9DD

Dear Designer,

My name is Kevin O'Hare and I am the director of The Royal Ballet.

I am very excited to be writing to commission you as a set designer for The Royal Ballet.

Best attendance last week: congratulations to Class 5 with 97% and Class 11 with 99%. Our whole school target is 97%.

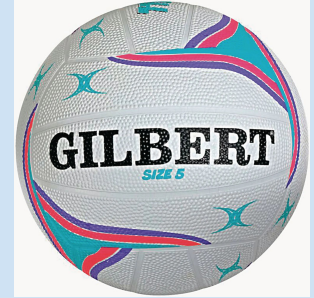

PE/Sports news:

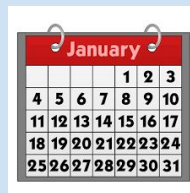

This half-term, KS1 children are continuing to develop their fundamental movements. It has been great to see children improving their balancing, agility and coordination!

All children in KS2 have begun their new games unit of netball. Last week, children learnt three key passes (chest, shoulder and bounce pass) and the skill of pivoting.

As a school, we are looking forward to attending a Year 3/4 Dodgeball Tournament and a KS2 Panathlon Competition before the end of this half-term.
