

Good morning Year 1.

Wednesday today and let's hope it's not as wet and chilly as yesterday.

Maths

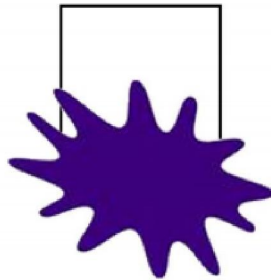

We are still learning about 2D shapes. Here are some problems for you to solve.

Here is part of a shape

How many different ways can you complete the shape using one or more straight lines?

Part of a shape is hidden

What shape could it be?

Is there more than one possibility?

Explain your thinking

I have 4 sides. Each side is equal.

What shape am I?

I have 0 corners and 0 sides, I am a round shape.

What shape am I?

I have 3 sides and 3 corners.

What shape am I?

I have 4 sides and 4 corners.

Two sides are short and the other two are long.

What shape am I?

English

We are thinking about the machinery that is used on a farm today. Watch these clips.

Now design and draw a machine you might use on a farm. What would you use it for? How would it work? Label and colour your design and write a few sentences about your great new machine. Keep your work for the factfile later this week.

Lulu and Humphrey

Lulu and Humphrey are having a little rest in school today. Do you recognise the chair they are sitting on?

Have a lovely day today. Eight days until you can have a long rest.
