LEARNING IN ACTION...

Reception

Last week in reception, we celebrated Chinese New Year! We learned where China is in the world, how to use chopsticks and put together dragon dance with our amazing Chinese dragon!

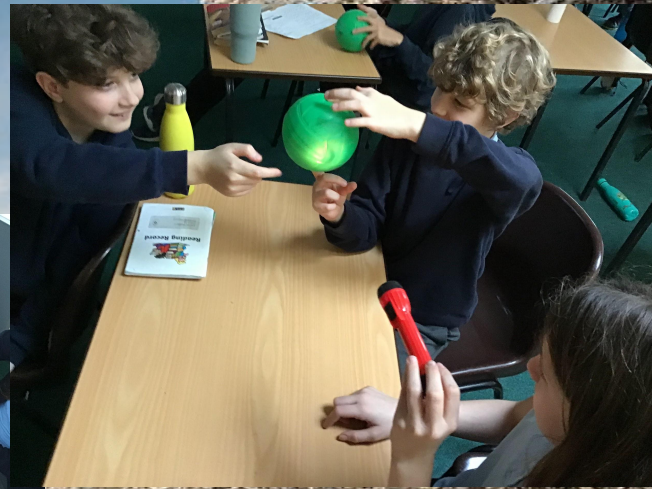

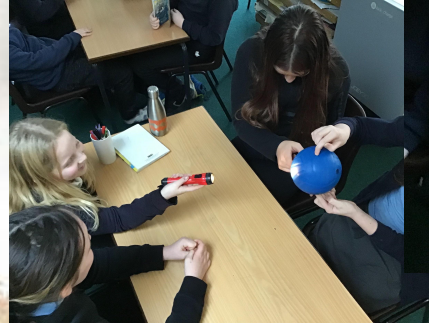

LEARNING IN ACTION...

Year 6

We have been learning about the solar system and the heliocentric model. We have been using this to help us to understand how days and years are decided according to Earth's rotation and orbit.

We have also been making space toys; soft celestial souvenirs for sophisticated space sightseers.
