'Inspire, Enrich, Achieve'

13 March 2023

Dear Parents/ Guardians,

St. George's Day Performance

We are very excited to announce that your child has been selected to perform in the March Town St. George's Day Celebrations this year where the main stage will be located just outside **March Town Library** on **Sunday 23rd April**. The **Senior Choir** will be performing at the event at **11.40am**.

The children will need to meet at the side of the stage, just in front of the Library, at 11.15am. This will allow for group positioning and any last minute sound checks needed on stage.

The required costume for the day is school uniform (as this will make the children easily identifiable amongst the spectators and other performance groups). Please provide your child with a water bottle as singing can be thirsty work! Wherever possible, could the children all wear blue t-shirts/shirts. We do have a small supply at school so please do ask if you need a loan.

There is no charge for this open air performance and we would welcome as many family members as possible to come and cheer us on. This is the first time a school group has performed at the festival and it is a wonderful privilege to fly the flag for Cavalry.

Rehearsals are well underway for this event and we encourage lots of home practice as the performance date draws near. It is so important we have all the choir members join us to make our musical team complete.

I feel sure the children will remember this performance for the rest of their lives and staff are very much looking forward to sharing this experience with them.

You are welcome to contact me at school if you have any further questions.

Yours sincerely

Mrs. Edwards

Deputy Headteacher

N.B. Could all permission slips be signed and returned to school by Friday 24th March.
