'Inspire, Enrich, Achieve'

Thursday 6th November 2025

Dear Parents and Guardians,

We wanted to let you know that the SATs practice papers your child has recently completed during our mock assessments will be coming home soon. These papers are for your child to look through and use for further practice at home.

Please don't worry about the scores on these papers — our main focus is on each child's progress and helping them continue to improve at their own pace. Reviewing the papers together at home will be a great way to reinforce their learning, build confidence, and help them prepare for the real SATs in May.

Throughout the year, the children will take these practice tests several times. Each time, we will send the papers home so that you and your child can look through them together, celebrate progress, and identify any areas to keep working on.

Thank you for your continued support in helping the children build their skills and confidence.

Kind regards,

Mr Davies

Class 13 Teacher

Mr Brown

Class 14 Teacher
