

Good morning Year 1.

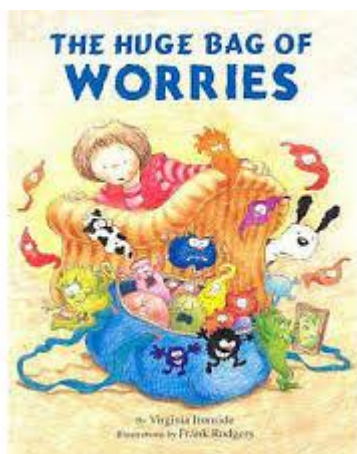

Today we are welcoming some children back into school. Lovely waves and smiles all round. If you are learning at home, why don't you write a note to a friend at school with a picture or a photograph and send them to us. We'll pass them on and send you one back - We're sure you have all missed your friends: we've missed you all.

Maths

We are learning about money this week. Ask an adult if they have some British coins. Draw round each one and write the value inside. Colour the coins the correct colour. Keep this work as it may come in useful for the rest of the week. Even better if you can collect as many coins as you can and keep them safe in a container to use this week.

English

We are focusing on any worries we may have - either about returning to school, or not seeing family and friends or anything else we are finding strange at the moment.

Watch the clip of one of favourite stories - The Huge Bag of Worries

<https://www.youtube.com/watch?v=CDrnuPj7xfs>

Discuss the book and think about what worries Jenny and what worries you have.

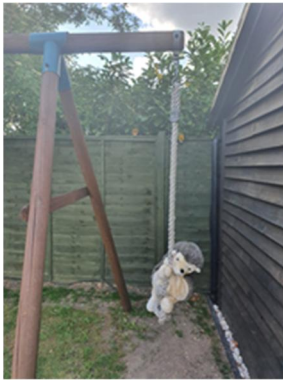

Topic

Draw a picture of somebody who you miss - it might be a relative or a friend, or a teacher. Write a message to them and say what you look forward to doing with them when you meet again.

Lulu and Humphrey

Humphrey is practising his rope climbing skills today. Lulu is trying to disguise herself. We can still tell it's you Lulu!!

Have a lovely day - in school and at home

Mrs Morris and Mrs Turrell
