

Good morning Year 1. Wednesday today and three more days until we can all have a good rest.

Maths

We are going to explore 3D shapes. Watch this clip to remind you what a 3D shape is. Now go for a 3D shape hunt. A good tip – look in the kitchen cupboards!

English

You have a reading challenge to complete over the summer. Your task today is to look at some of your books and decide where you are going to start. Youi might want to read a book on a tablet. You can colour in a square when you have completed a task. Remember you need to read to an adult.

Lulu and Humphrey

Lulu and Humphrey are chilling in the beach huts again today

Have a great day.

Mrs Morris and Mrs Turrell

15th July 2020

Here is your outdoor reading challenge for you to do over the summer holidays.

When you complete an outdoor reading challenge task, cross off the square. Can you cross off four squares to create a winning line? Can you complete all of the tasks and become an outdoor reading challenge champion?

Read while
lying on a patch
of grass.

Hunt for a
web and read
to a spider.

Go outside at
night and read
under the stars.

Read in or
under a tree.

Build a bug hotel.
Read your guests
a story.

Read a story
set in the great
outdoors.

Make a bird
feeder. When a
bird pays it a
visit, look it up in
a bird book.

Go rock pooling
or pond dipping.
Read to
your catch!

Dig in the mud,
then read to
your new worm
friends!

Climb a hill and
shout a story
from the hilltop!

Find a flower and
press it between
the pages of your
book.

Build a sandcastle
fort to protect you
while you read.

Invite a special
guest to an
outdoor reading
picnic.

Read inside
a daisy chain
circle.

Find some animal
tracks and
research them in
a nature guide.

Build a reading
den. Hide inside
with a good book.
