

Good Morning Year 1

Friday today and it's the end of another half term . You won't have any school work sent to you for a whole week while we all have a little break! I've put a few little extras things for you to do if you want to during the holiday.

English

Follow these instructions:

How to Bake a Mud Pie - like your granny used to make!

- Ingredients
- 3 x cups of dirt
- 1 x cup of water
- Assorted toppings such as grass, petals or pebbles.
- Equipment 1 x cup
- 1 sieve
- 1 mixing bowl
- 1 stick or spoon
- 1 flat tray or board

Method

1. Sieve the dirt into the mixing bowl to make sure it is smooth and free from sand, grit or stones.
2. Gradually add the cup of water to the dirt and stir the mixture.
3. The dirt and water should combine to make sticky black dough. Roll this into a ball.
4. Press the dough ball out onto a tray or board into a flattened circle.
5. Decorate the pie with your choice of toppings such as grass, petals or pebbles.
6. Leave the pie to bake hard - preferably in the sunshine and serve in slices with a cup of homemade garden cocktail.

Write a list of imperative (bossy) words: I have thought of add, press, pour, mix
Have a go at creating your own recipe for a pie or a cocktail

Have fun!

Phonics

Don't forget to catch the phonics lessons

https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/videos?app=desktop

I'm not sure if this will continue over the half term but if it is still running it would be beneficial for the children to continue to watch

Eid

This weekend is the festival of Eid-al-fitr. It signals the end of the month of Ramadan.

Watch this clip to find out more.

<https://www.bbc.co.uk/bitesize/articles/z4cmkmn>

There are more clips to watch if you are interested.

Look on this website - <https://www.activityvillage.co.uk/eid-crafts> and find some art and craft activities to do for Eid. I like the henna hands. You could draw around your hand and make a pattern on the paper.

Maths

Some math puzzles to get your brain ticking.

Put these numbers into the correct order
Can you count backwards to find the next three numbers in the sequence?

| | | |
|----|----|----|
| 59 | 62 | 65 |
| 64 | 66 | 60 |
| 61 | 63 | 67 |

Which numbers are missing from these sequences?

True or false?

- When I count back from 100 to 80, I will say the number 90.
- When I count back from 79 to 69 I will say the number 80

| | | | | | | | | | |
|----|----|----|----|----|----|----|----|----|-----|
| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |
| 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 |
| 21 | 22 | 23 | 24 | 25 | 26 | 27 | 28 | 29 | 30 |
| 31 | 32 | 33 | 34 | 35 | 36 | 37 | 38 | 39 | 40 |
| 41 | 42 | 43 | 44 | 45 | 46 | 47 | 48 | 49 | 50 |
| 51 | 52 | 53 | 54 | 55 | 56 | 57 | 58 | 59 | 60 |
| 61 | 62 | 63 | 64 | 65 | 66 | 67 | 68 | 69 | 70 |
| 71 | 72 | 73 | 74 | 75 | 76 | 77 | 78 | 79 | 80 |
| 81 | 82 | 83 | 84 | 85 | 86 | 87 | 88 | 89 | 90 |
| 91 | 92 | 93 | 94 | 95 | 96 | 97 | 98 | 99 | 100 |

For maths games try www.ictgames.com or <https://www.bbc.co.uk/bitesize>

Plants

We are thinking about food that comes from plants. Look at these pictures and see if you can answer the questions. The answers are at the bottom of the email.

What food comes from these plants?

Can you name these foods that come from plants? Can you draw and name some more?

Lulu and Humphrey

Lulu has found another lovely tribute to the NHS. Have you seen it on your walks?

Humphrey has been making some lovely patterns using what he has found outside.

Have a great half term- fingers crossed for more lovely weather.

Mrs Morris and Mrs Turrell

22nd May 2020

Answers

What food comes from these plants?

Strawberries

Apples

Parsnips

Flour

Potatoes

Can you name these foods that come from plants?

Cauliflower

Tomatoes

Lettuce

Bread

Spring onions

Breakfast cereal

Broccoli

Grapes
