

Good morning Year 1. Thursday today and heading towards the weekend.

English

We know some of you have new pets in your house, so you'll enjoy today's writing.

What will you talk about? Will you tell your pet all about your friends and family? Will you ask your pet if he has a family?

What else could you ask your pet and how will he respond?

Maths

We are thinking about how we would measure in time - seconds, minutes or hours.

If we are going for a long trip in the car we would measure it in hours. A sneeze would be measured in seconds.

Think about these actions - hours. Minutes or seconds. Make a table and draw or write them in the correct column

Hours	Minutes	Seconds
	go on a bike ride	a wave

A day in school, a blink, scratch an itch, watch TV, toast bread, walk a dog, bake a cake, water a plant, sleep in bed, smile, trip over. Can you think of some more?

Topic

We know you are a very creative group so you'll enjoy this activity.

Today we want you to create a spring picture and a summer picture. You can paint, draw and colour, stick coloured paper, make a 3D picture using junk - up to you. Watch this clip to remind you what you could include on your picture.

Lulu and Humphrey

Today Lulu is sitting in the park counting the cars go by. Humphrey is playing with a hoop.

Have a lovely day today.

Mrs Morris and Mrs Turrell
