

Good morning Year 1.

Tuesday today and we're carrying on with our Farm work.

English

We are looking at animals that provide food. We have included dairy, eggs and honey. Choose one or more things to write about and keep your writing safe to include in your factfile at the end of the week.

Eggs - <https://www.kids-country.co.uk/wp-content/uploads/Happy-Egg-Farmer-Thomas.pdf>

Which animals lay eggs for us to eat?

Honey - <https://www.kids-country.co.uk/wp-content/uploads/Introducing-the-world-of-the-Honey-bee.pdf>

Dairy - Find attached powerpoint and explore which food is provided by milk. Remember sheep and goats also provide milk for food.

Maths

We are thinking about the properties of shapes. Watch this clip and then copy and fill in the table below. <https://www.bbc.co.uk/bitesize/topics/zjv39j6/articles/ztpwdmn>

Shape	Sides	Corners	Name of shape
			
			
			
			
			
			

Challenge - is this a triangle? Explain your answer

Phonics

Topic

We thought it would be fun for you to cook something with eggs. What could you make?
We'd love to see your photographs.

Lulu and Humphrey

Can you spot Lulu and Humphrey in the garden outside Year 1?

Have a lovely day today. Only 9 days left to go before we can all have a rest. You are doing well. Keep it up.

Mrs Morris and Mrs Turrell
