

Cavalry Newsletter 29.11.2021

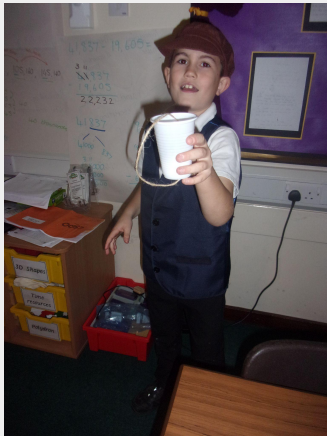

Last week in Year 2: Year 2 have been making shoe box habitats as part of their Science work this half term. We researched different habitats, chose one and decided what we needed to include to make sure an animal could survive in that habitat. Then today we got creative and made one!

Last week in Nursery: We enjoyed learning all about people who help us. On Monday we wrapped up warm, took our chairs, clipboards, pencils and blankets and headed out to do a traffic survey. Who would have thought that Cavalry Drive was so busy! We saw 36 cars, 4 bikes, vans, lorries and 1 bus which caused much excitement especially when the bus driver waved at us! On Friday we had a visit from Mrs Lambert the Lollipop Lady who showed us how to cross the road safely, we have enjoyed dressing up and role playing this as well as being doctors, nurses, paramedics and police officers! We have also started to investigate shapes and went on a shape hunt in the garden.

Last week in Year 5: Continuing with our History lessons about the Victorians, the children dressed up and experienced a day in a Victorian school. Lessons included arithmetic, copperplate handwriting and sewing, along with baking cakes for the girls and gardening for the boys. The afternoon included an exhausting 'physical training' lesson too. The children discovered that it is hard to write when dipping your 'pen' into the ink pot between every letter and that Victorian teachers were very strict!

Whilst walking to school.... We have received a request from neighbours of the school that parents remind children not to walk on the gardens or walls of nearby houses. We would appreciate your help in keeping an eye on the children so that they stay on the pavements. Many thanks.

Dates for your Diary:
