## Last week in Year 2:

We have been busy completing our DT project - making a fruit salad! First we taste tested 7 different fruits and voted for our class favourite. We then talked about food safety and what instructions we needed to follow. Finally we got to make it! We carefully chopped our fruit and mixed our own recipe, adding some fruit juice at the end. They were delicious

kiwifruit	2
grape	3
orange	2
strawberry	15
banana	2
blueberry	3
melon	1

## **Cavalry's Virtual London Marathon:**

A huge thank you to Jason Bullman for taking on the challenge of running a marathon around our school field. Jason has already raised over £2500 to be shared between Cancer Research UK and Cavalry PTFA, and donations can still be made via the school office in cash or on

<https://www.gofundme.com/f/jason-bullmans-cavalry-marathon>

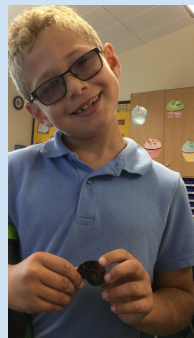

Thank you also to everyone who came along yesterday morning to support Jason. It was great to see the children enjoying their own running activities in the sunshine.

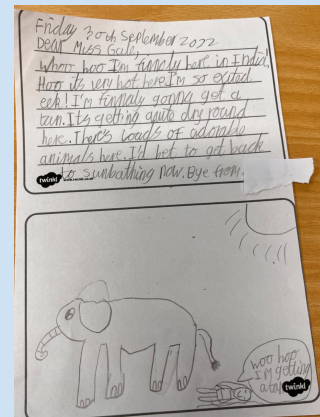

## Last week in Year 3:

Year 3 have been enjoying their Science topic learning about Rocks and Fossils. This week, they found out about the life of Mary Anning, who loved finding fossils as a young girl.

In Geography, the children have been learning about weather and climate. They thought about different ways that the weather affects our lives and imagined what it would be like to visit hot and cold climates.

Best attendance last week: congratulations to Class 1 with 97% and Class 14 with 99%. Our whole school target is 97%.

## Sport/PE page:

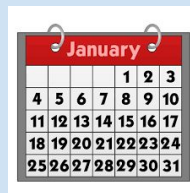

It has been fantastic to see so many children taking part in sports clubs after-school already this year. We have seen:

- 40 children at speed stacking club
- 49 children at KS2 multi-sports club
- 43 children at KS1 multi-sports club
- 26 children at 'This Girl Can' sports club

Soon, we will be taking part in sporting events and competitions against other schools to demonstrate all the skills we have learnt.

Follow us on Facebook 'Cavalry Primary School' or Twitter @Cavalry\_Primary

## Dates for your calendar:

3rd to 6th October - Year 5 bikeability training

Monday 10th Oct - parents' evening appointments available 5 to 7.30 p.m.
