Newsletter – 28th February 2020

This week at Cavalry:

- Yesterday all the children in Year 2 enjoyed a visit to the March Museum. They found out about houses and homes in the past, and were fascinated to see lots of objects from long ago.
- Yesterday was also a very exciting for the two teams of four children from Year 5 who went to March Town Hall to take part in the finals for the Bits and Bytes Project. After weekly workshops with the staff at 20Twenty over the last few months, the children were well prepared to meet the challenge of designing a new robot. We are delighted that the team from Class 12 were the overall tournament winners – well done to Oscar, Holly, Darcy and Evelina. We hope you enjoy your prize...a visit to the Harry Potter Studios in London.
- Today all the children in Year 3 have been to Manea Primary School to take part in our cluster art project. They spent time in the school's forest area collecting natural objects such as leaves, sticks and stones, then used these to create pieces of art work in the style of Andy Goldsworthy. Photographs of their designs will feature in an exhibition at March Library during the Easter holidays, so do pop in to take a look.
- Eco Committee were very pleased to hear that our first boxes of crisp packets are ready to be sent to TerraCycle so they can be recycled into new plastic items such as furniture. We expect to receive between £25 and £30 as a donation to school funds from this batch, which is great! Please continue to send in your clean, empty crisp packets ready for the next batch.

Coming up soon:

Thursday 5th March – World Book Day – dress up as your favourite book character

Monday 9th March 3.30 to 6.00 – parent consultation appointments

Tuesday 10th March 5.00 to 7.30 – parent consultation appointments
