

Good Morning Year 1

We hope you are having a good week. Lots of practical work today.

English

Fact file: write a fact file for something you know lots about! E.g. dinosaurs, an animal, lego, cars/vehicles, books, space, your favourite toy. Think about what it is made of, where it lives and what it eats (if it is alive), different varieties of it, how to use it, fun facts about it or what you like the best about it.

Draw a picture.

Maths

We are finding out about half and quarter turns today. This clip explains.

<https://www.youtube.com/watch?v=JxYjvr+GeBA>

I've also attached a PowerPoint of a teddy to help understand

Then watch the story of Kay the bison.

<https://www.bbc.co.uk/bitesize/clips/z7kwmp3>

Choose a toy and send them on a journey using clockwise, anticlockwise, half turn and quarter turn. If you go for a walk later you could tell your adult about your turns as you walk!! They will be very impressed.

Farms and food

We are going to look at farms and food. Watch this clip to find out a little more about food.

<https://www.pbslearningmedia.org/resource/261c4139-55d0-4156-a3f3-36f5cc29997a/what-is-farming-young-explorers/>

In this clip, children are sorting food into food from plants and food from animals.

https://www.youtube.com/watch?v=Uv4ZN-Jr_g0

Using food in your house, do the same activity. Remember some food might be made from plants and animals.

Phonics

Don't forget the daily phonics

Lulu and Humphrey

Humphrey and Lulu are both busy working.
Humphrey has named his 3D shapes and Lulu is reading a story to her teddies.

Have a good day and keep sending those pictures to us at admin@cavalryprimary.org
