

RSPB BIG Garden Bird Watch 26-28th January

- Encourage birds to your garden over the next few days by putting out high fat foods such as cheese, bird seed, whole nuts, bird cakes any sunflower seeds you may have and water
- If you find a bird that cannot be identified please try and take a photo, record what time you saw it and where (exciting!)
- Just one hour of observations- that's all!

RINGS END NATURE RESERVE Bird feeder challenge 10th February

- Design and make a bird feeder by Friday 8th February.
- Hand your bird feeders into the office (don't forget your name)
- Or come and join us at Rings End (Chain bridge) 10th February 10-1pm to put your bird feeder up yourself.
- Prizes for the top 3 designs

Please also feel free to draw a picture of a bird that you have seen.
