Good morning Year 1.

What a wet and miserable day it was yesterday!! Fingers crossed today will be a bit drier.

## <u>Maths</u>

We are going to look at irregular shapes today. Not every shape has the same length of sides – take a look!

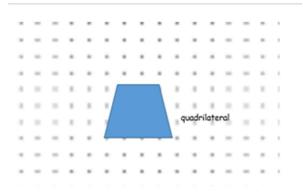

This is a 5 sided shape so it is a pentagon. All shapes with 5 sides is a pentagon.

This is a quadrilateral. All shapes with 4 sides are quadrilaterals but some, like squares and rectangles have special names as well.

These shapes are made on a geo board - you can find one at https://apps.mathlearningcenter.org/geoboard/. It's a bit fiddly at first and you will need to read the instructions carefully.

Instead, you could draw some dots on paper and join some dots to make irregular shapes. There is a page of dotted paper at the end of this email.

## <u>Phonics</u>

https://www.youtube.com/channel/UCP\_FbjYUP\_UtldV2K\_-niWw/videos?app=desktop

## <u>English</u>

We are looking at crop farming today. Watch Farmer Tom and find out what he does during the year.

https://www.kids-country.co.uk/on-the-farm-with-farmer-tom/

Draw a picture of Farmer Tom at work and write some sentences about the crops he grows.

<u>Topic</u>

We really like this picture by Giuseppe Arcimboldo. If you have magazines in your home, you might be able to create your own picture from pictures of fruit and vegetables.

## Lulu and Humphrey

Humphrey and Lulu were enjoying the sunshine before it started raining!!

Have a lovely day today.

Mrs Morris and Mrs Turrell July 9<sup>th</sup>
