

It's Friday! Where did that week go? We hope you have had fun taking part in our active week. Here are your tasks for the day.

Active Learning

It's the final day of your Blue Peter sports challenge. To complete the challenge, you need to do your chosen activity one more time. Make this one count! See if it can be the highest, fastest, biggest, best, out of all the days! Try to beat yourself. And remember, just because the challenge is complete, it doesn't mean that you need to stop enjoying your new activity. Keep going! or maybe try a new activity for 5 days next week. It is up to you. Remember, if your grown up gives permission, they can apply for a badge for you. Just check out the website for details.

English

Today we want you to write a few sentences about how you got on with your Blue Peter challenge. Did you manage to complete it? Did you enjoy the activity you chose? Was it hard to do? Did you manage to improve as the week went on? What are you going to do now? Tell us all about it. You could even use today's writing to fill out page 3 of the badge application form. Please send us your lovely pictures, so that we know what you decided to have a go at.

1	What new physical activity have you tried?	
<input type="text"/>		
2	Describe the experience you had practicing your new activity for 10 mins, 5 times.	
<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>		
3	Attach a photo of you doing your new activity. It's important that there are no other people in the photo and that you are not wearing your school uniform. If you don't have access to a printer, you can attach a drawing of yourself doing your activity instead.	
4	Why is keeping active so important to you?	
<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>		

Maths

Today we are finishing off our money topic. We are going to set you a challenge! We would like you to choose an amount and see how many different ways you can make it. Here are Mrs Turrell's different ways of making 54p.

We are certain that Mrs Turrell hasn't found all of the ways. Can you think of any more? Can you find all of the ways to make 39p? or 87p? Try to find as many ways as you can.

Messages to Mrs Warby

As the announcement went out the other day that Mrs Warby is sadly leaving Cavalry at the end of the school year, we were thinking that some of you might want to send her a goodbye and good luck message. If you would like to send her a picture or a message, we know that she would really appreciate it. Please send them to the office email address and we will collate them in a book for her as a wonderful surprise.

Phonics

Remember to watch today's phonics video.

Lulu and Humphrey

After all the excitement of the sporting challenges, Lulu and Humphrey are having a rest today. They are spending time on the reading train. Lulu has been practising her phonics skills, and is now reading a lovely story to Humphrey.

Don't forget to send us your photos! Have a great weekend.

Mrs Morris and Mrs Turrell
