

Good morning Year 1, and Happy Monday. We hope you had a good weekend and you're ready for some more activities.

★HAPPY★
BIRTHDAY!

Happy Birthday Joshua Class 4.
Have a lovely day (we hope you have chocolate birthday cake!!!)

Maths

You did some super work on time last week. Let's see how you get on solving these problems.

The time is 3 o'clock.

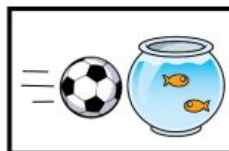

Amir

Can you spot Amir's mistake?

Draw pictures to show what could have happened before and after.

Before

After

When it is 11 o'clock both hands point at 11

Alex

Is Alex correct?
Explain your reasoning.

Phonics

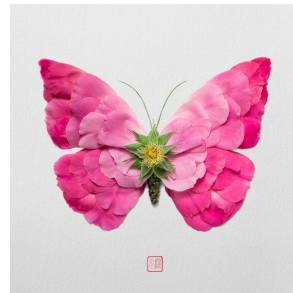

You are doing so well with your daily phonics. Keep going!

Topic

Our gardens and the countryside are full of colours in nature at the moment. Either in your garden or when you are out walking, collect some things that you find interesting in nature. In my garden Lulu found some red and pink petals on the ground. She also found some leaves that had fallen.

Collect them up and stick them on some paper. You might want to make a flower or a garden from all of the colours, or a picture or lovely patterns. Make sure you have an adult with you so you don't pick up something that could harm you or make you ill, and wash your hands when you have finished.

English

Lulu and Humphrey have been missing you all so they've sent you a postcard. . To cheer them up we thought you could send them a postcard back telling them all about the things you have been doing.

We know some of you have learned to ride a bike, and some of you have lost teeth. Some of you have celebrated a birthday in lockdown. Write it all down on a postcard and send it to us. We would be so happy to see them. There is a template of a postcard for you to write on or you could copy it on paper.

<p>Hello Year 1</p> <p>We hope you are all well. Thank you for sending great work to us. Humphrey has really enjoyed being able to play with Mrs <u>Turrell's</u> children but he really misses seeing you all. Lulu has been doing lots of gardening and walking with Mrs Morris but is ready to play with some children now. We have both been into school when you weren't there and it was so quiet. It's nicer when there are lots of happy voices and cheery smiles. Please let us know what you've been up to. Have you found a new walk in March? Have you been video calling your family? Have you been standing in long lines at the supermarket? Have you still got all of your teeth? So much we want to know!</p> <p>Write to us soon. Big hugs and waves.</p> <p>Humphrey and Lulu xx</p>	 <hr/> <p>All the children in Class 3 and 4</p> <hr/> <hr/> <hr/> <hr/> <hr/>
---	---

Lulu and Humphrey

Humphrey has found some white flowers and different shades of green leaves.

Lulu has been lucky and has found some purple as well as the red and pink petals she found earlier leaves. I wonder what you will find.

Have a great day. Tomorrow you will need at least one flower for your learning more if you can find some.

Have fun

Mrs Morris and Mrs Turrell
June 15th
