Newsletter – 13th September 2019

This week at Cavalry:

- It has been great to see our new Nursery and Reception children settling in, making new friends and enjoying playing outside in the sunshine.
- In Year 2, the children have been tasting lots of different fruits today. They had to look carefully at the colour and shape, then think about the texture and taste of each fruit. This will help them to design a fresh fruit salad of their own.
- Science in Year 4 this week has seen the children continuing to learn about how our digestive systems work. The children used orange juice mixed with bread to see how the acid in our stomachs breaks the food down.
- Year 6 have also had an exciting Science lesson today, making replica blood! Vegetable oil represented the plasma, cheerios took the place of red blood cells, mini marshmallows acted as white blood cells, and bread crumbs represented platelets. This practical activity had certainly helped the children to remember the function of each component of our blood.

Other information:

- All clubs at lunch times and after school will start next week, beginning on Monday 16th September. The only exception is Senior Concert Band, which will start on Tuesday 24th September. If you have not heard otherwise from the school office, you can safely assume that your child has a place in all the clubs you have requested. Don't forget your recorder on Monday!
- If you would like to buy a recorder or recorder book from us, these can be bought by sending cash to the school office. Recorders cost £7 and recorder books cost £4.
- We are pleased to hear that Mrs Wheeler is feeling much better now so flute and clarinet lessons will start next week on Wednesday 18th September.
