Last week in Year 3:

Year 3 had a fantastic time at Wicken Fen. They spent time looking around a Fen cottage and workshop to learn what life was like in the Fens hundreds of years ago - most of the children decided they preferred electricity and running water! They also connected with the wild and explored the beautiful nature reserve, even spotting an eyed hawk moth! It was a great way to finish off our Fantastic Fenland celebrations...we really do live in a beautiful part of the world!

PTFA Summer Fair: It was great to see so many families at the summer fair on Saturday. Thanks to your generosity, the PTFA have raised £2003.31 to support the school! A huge thank you to everyone who helped to organise the event and ran the stalls on the day.

Last week in Year 2: Well it has been a very exciting week here in Year 2! Mr Webb and Leonard made an exciting discovery last week, whilst on their morning walk. Leonard unearthed some old, pirate coins in the bushes next to the playground! We decided to write a newspaper report to tell everyone about their amazing find.

In DT, we have been busy testing materials, creating circuits and designing our light houses, ready to build next week!

We have also been busy in computing, creating maps and routes for our friends to test out. We left obstacles along the way so they had to find alternative ways around. What a busy week!

Thank you also for supporting our Book Fair last week. We hope you all enjoy the books you chose! Thanks to your support we will be able to choose about £1000 worth of new books for school - these will make great additions to our libraries.
